1. Nature and purpose of the organization

Syria-Antigonish Families Embrace (SAFE) Society is a not-for-profit organization incorporated under the Societies Act of Nova Scotia effective July 22, 2015. The organization is a registered charitable organization and is exempt from the payment of income taxes under the Income Tax Act.

The organization operates to sponsor Syrian refugee families to settle in the Antigonish, Nova Scotia area.

2. Summary of significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO) and, in management's opinion, with consideration of materiality and within the framework of the following accounting policies:

Cash and short term investments

Cash is defined as cash on hand and cash on deposit, net of cheques issued and outstanding at the reporting date.

Fund accounting

Syria-Antigonish Families Embrace (SAFE) Society follows the restricted fund method of accounting for contributions.

The General Fund accounts for the organization's program delivery and administrative activities. This fund reports unrestricted resources.

Revenue recognition

Syria-Antigonish Families Embrace (SAFE) Society follows the restricted fund method of accounting for contributions.

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donated services

The work and operation of the society would not be possible without the contributions of numerous hours of service by the local community. Because of the difficulty determining their fair value, these contributed services are not recognized in the financial statements.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.
